

**To all our Shepherd's Keep friends, donors, volunteers and staff,**

**2020 has been a strange year with many changes, but one thing will never change -**

**The love of Jesus our Saviour.**

**Many celebrations have been cancelled, but His love will never be cancelled and is the one thing we can be sure of.**

**So bless you all, our prayer is that you will feel His love around you today and always and that 2021 will be fruitful.**

**Thank you for every donation, for support and care.**

**With love and blessings from us all at  
Shepherd's Keep**
